The First Special Survey No. 1 of this Hopper Barge became due at the end of March last, but the Owners state that they have decided not to maintain her classification in the Society's Register Book.

The case received the consideration of the Classing Committee on Friday, 17th instant, when it was decided to give instructions for the vessel's character to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.
