RECEIVED

4 MAY 1962

Dear Sir,

" WALCRAG "

In reply to your letter of the 3rd instant I beg to inform you that the general examination could not be completed because the bilges in the cargo hold were not opened up and the bottom in the engineroom was not cleaned.

This could not be done anymore on this occasion because the ship was ready to leave.

The captain had no instruction for these items.

Yours faithfully,

The Secretary,
LONDON
