Dear Sirs,

Motorship "WAICRAG."

Further to my letter of the 2nd April, I have to inform you that subsequent reports of surveys held by the Society's Surveyors at Rotterdam in March, when the General Examination of the hull was advanced, have now received the consideration of the Committee.

This examination was commenced at Rotterdam in February when the examination of the fore and aft peak tanks was made and advanced in March by the examination of the No. 1 double bottom tank and cargo hold.

I shall be glad to learn what arrangements you propose making to complete the General Examination of the hull.

Yours faithfully,

Deputy Clerk to the
Classification Committee.
