The Secretary,

LONDON.

Dear Sir:

S.S. "OTTERHOUND"
Saint John, N.B. Rpts. 8 & 9, No. 1878

In connection with the above-mentioned reports (last date of survey 3rd March, 1953), I have to advise that this case was left open until such time as the Owners decided whether or not the vessel would be placed under Special Survey.

I now understand that the vessel will remain laid up at this Port for an indefinite period of time, and that no further work will be carried out meantime.

Accordingly, these reports are now forwarded for the consideration of the Committee. X

Yours faithfully,

Geo. Beattie

Surveyor.
