

POSTPONED SURVEYS.

Case of the..... s.s. "OTTERHOUND" (Tanker)..... No. 71968..... in R.B.

Built 1927-8..... Owners.....

Class..... Port of Registry.....

Surveys due..... Special Survey due 12.51 (present LMC record 4.51).....
Indented side shell plating (p & s) and indented keel
and bottom plating (p.s.a.) to be dealt with by the S.S.

Proposed to be held.....

Remarks..... Postponement of the Special Survey until the middle of
January approved 6.1.53.

On the 14th ultimo the St. John, N.B. Surveyor stated that
the vessel was laid up indefinitely at his port pending final
decision by the Owners either to replace the vessel or proceed
with the Special Survey.

The case received the consideration of the Committee on the
20th ultimo, as a result of which a notation of "Laid up- Surveys
overdue" was assigned.

The following cable has now been received from Montreal:-
