Dear Sir:

I have to acknowledge receipt of your Air Letter of the 7th instant respecting the steamer "OTTERHOUND", and advising that the Committee are agreeable to the Special Survey being postponed until the middle of the present month on the definite understanding that this arrangement is adhered to.

I have now to advise that the vessel arrived at this Port on the 10th instant, and I am today informed by the Owners' Representative that she has been taken out of service and will be laid up indefinitely at this Port pending final decision by the Owners either to replace the vessel or to proceed with the Special Survey.

Yours faithfully,

*Geo. Reddie*

Surveyor.
