Lloyd's Register of Shipping

1.1 OCT 1952

Port SAINT JOHN, N. B.,

5th SEPTEMBER, 1952.

This is to Certify that I have

Part
Surveyed the ~~Boiler~~ and Machinery of the ~~Steel Single Screw Steamer~~
"OTTERHOUND", 860 tons gross, of Saint John, N. B., while in drydock at
Saint John, N. B. on the 1st August, 1952 and subsequent dates, on account of
DAMAGE stated sustained by vessel striking submerged object in Saint John Harbour
when leaving the Irving Oil Tanker for Halifax, N. S. on the 1st August, 1952,

and that I have transmitted to the Committee of Lloyd's
Register of Shipping, London, a Report stating that all
recommendations made by me in connection therewith have
been carried out to my satisfaction, and that I have
Recommended that the record of T.S. (CL) 8,52

be made in the Register Book in the case of this vessel.

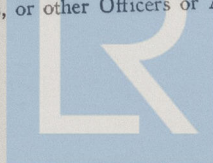

Geo. Bealby

Engineer Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—
While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly
performed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances
ever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in
entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of
any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
