Dear Sirs,

D. I duly received your letter of the 16th instant, relating to the case of the steamer "HUMANITAS", and, as desired, I have today despatched to your address under separate cover, for transmission to the owners, copies of the plans of the midship section, profile and main boilers of the vessel.

The charge for these plans is six guineas, and this amount when collected by you should be credited to the London Account.

Kindly advise me when payment is made.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,
