Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

9th August, 1927.

Dear Sirs,

I am in receipt of your letter of the 2nd instant with reference to the case of the steamer "HUMANITAS" ex "ANGLO SAXON", and in reply I have to acquaint you that the letter from the Owners intimating their decision not to continue the classification of this vessel in the Society's Register Book will be submitted to the Committee in due course.

With regard to the request of the Owners to be furnished with copies of certain drawings, I have to state that copies of the plans of midship section and profile and of the plan of the main boilers could be furnished at a cost of £6.6.0, and I shall be glad if you will obtain from the Owners a confirmation of their desire to be furnished with the copies at the above rate.

There do not appear to be in this Office any plans of the donkey boiler or propeller shaft.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,
GENOA.
