H. Dear Sirs,

I beg to acknowledge the receipt of your letter of the 11th instant respecting the steamer "ANGLO SAXON", and to acquaint you that the case of this vessel received the careful consideration of the Committee at their meeting today. In reply the Committee desire me to say that in the circumstances, they consider arrangements should be made to have the Boiler Survey carried out on the vessel's return to an American Port, which they note you anticipate will take place in the course of six weeks or so, and the Committee will be glad if you will kindly give instructions accordingly.

I am, Dear Sirs,

Yours faithfully,

Messrs. Lawther, Latta & Co.,
