M/V "KINUGASA MARU"  
Kobe Report No. 9468.

Dear Sir,

\* As requested in your Classing Letter dated 15th May,  
 \* plans of the main and auxiliary air receivers are being forwarded  
 to you under separate cover.

I regret the nominal horse power of this vessel was given as 2187 instead of 1850, and I have to say, in this connexion, that the Builders have been refunded £10/10/7 in respect of excess fee charged for the survey of the machinery during construction, and I shall be glad if the necessary correction be made in the Kobe financial statements.

Trusting that this matter is now in order,

I am, Dear Sir,

Yours faithfully,
