25th October, 1928.

Dear Sir,

I duly received your letter of the 9th instant, addressed to the Society's Surveyors at Hamburg, respecting your steamer "OSKAR", and having submitted the same for the consideration of the Committee at their Meeting to-day, I am directed to acquaint you that in view of your intimation instructions have been given for the vessel's character to be withdrawn from the Society's Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owner's request.

I have to add that the plans of the vessel at present in this Office are the Society's property and will be retained here for future reference. Copies of the plans and certificates can, however, be supplied to you if desired and a suitable charge would be made for this service.

I am, Dear Sir,

Yours faithfully,

(Copy HAMBURG)

Clerk to the  
Classification Committee.
