Dear Sir,

"PATHFINDER"

Thank you for your letter dated 27th September, the contents of which have been made known to the Owners.

In reply to my enquiry regarding the return of Load Line Certificate. The Owner's now state that it cannot be found and have forwarded to this Office Classification Certificate in respect of hull and machinery only.

I should be grateful to learn whether the Certificates referred to are to be returned to London? They are being held here meanwhile.

Awaiting your further instructions.

Yours faithfully,

J. J. Crawford.
SURVEYOR.

The Secretary,
