Dear Sirs,

I am in receipt of your letter of 9th November respecting the "ESSO BRETAGNE" and note that arrangements have been made for this ship to be strengthened and for a Load Line Renewal Survey to be held on the ship's arrival at Marseilles about 20th November.

In the circumstances, the necessary instructions are being sent to the Society's Surveyor but in the meantime the Havre Surveyor is being advised to extend the Load Line Certificate until the end of November to cover the voyage to Marseilles provided a satisfactory Freeboard Survey is held by him.

Yours faithfully,

pro Secretary.

Messrs. Esso Standard,
82, Avenue des Champs-Elysees,
PARIS 8,
France.

HWM.
