Dear Sir,

Fbd.

"ESSO BRETAGNE".

I am advised by the Owners that this whip will be submitted to strengthening at Marseilles about 20th November after discharge at your port and that the Load Line Renewal Survey will be dealt with at that time.

As the Load Line Certificate expired at the end of last month a short extension will be required to cover the voyage from Havre to Marseilles, and I have to say that provided a satisfactory Freeboard Survey is held you will be in order in extending the validity of the Load Line Certificate until the end of this month.

Yours faithfully,

pro Secretary.

L.S. Sims, Esq.,  
HAVRE.
