Dear Sirs,

T.2 Tankers "ESSO BRETAGNE" and "ESSO NORMANDIE"

I have to acknowledge the receipt of your letter of the 12th instant in further reference to these cases, and would inform you that the Committee of this Society are gratified to note that you are making arrangements for the necessary stiffening required for this type of ship to be fitted.

It is observed that the "ESSO NORMANDIE" will be dealt with at the yard of the Chantiers Navals de la Pallice about the 15th of next month, and the necessary instructions are being sent to the Society's Surveyor at that port.

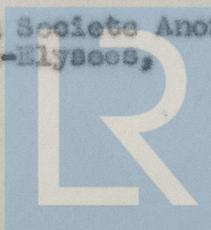

It is noted that you will inform me in due course where the work on the "ESSO BRETAGNE" will be carried out, and on receipt of such information, I shall have pleasure in instructing the Society's local Surveyors.

Yours faithfully,

Copies sent Nts. & Prs.
