Dear Sir,

(S) T2 Tanker "ESSO BRETAGNE"

The case of the above named vessel has been under reconsideration in this Office in connection with your communication of the 18th instant, for which I am obliged.

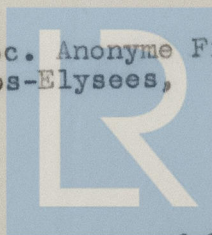

Before, however, again submitting the case to the Committee it will be appreciated if you will kindly state the service in which it is proposed to employ the ship during the months of October, November and December, as this may have some bearing on their decision.

In this connection it is thought well to remark that it is still considered unlikely that the Committee will agree to this postponement unless the ship is engaged in some very restricted trade.

Yours faithfully,

Assistant Clerk to  
the Classification Committee.
