LE HAVRE, 25th June 1948

Dear Sir,

I wish to confirm my telegraphed enquiry re the ex T.2 Tanker FORTWOOD, now named " ZANGUEZOUR ". Mr TAXIL has sent me a copy of the Owners' letter stating that they wish me to attend the Survey held by the French Ministry and I should be glad if you would advise me the position of the Survey.

ESSO BRETAGNE - 39291 Supplement 19.

The Owners have to-day written to say that the Secretary General of the French Merchant Marine has instructed them that the remaining Surveys and opening up of the machinery must be done in France.

Whether this will be done in my district or at Nantes or Saint Nazaire I cannot yet say, but I am advising the Owners of what is required, as per your letter of 5th inst. and as soon as I have any further information I shall telegraph in order to give Mr Anderson as much notice as possible.

Yours faithfully.

The Secretary
LONDON.
