Dear Sir,

With reference to my letter and telegram of yesterday's date, respecting the "ESSO BRETAGNE", I am sorry to find that in the course of my conversation with the Owner, respecting the above vessel, neither the Owner nor myself we had in mind the contents of your letter of the 14 th instant (which had duly been conveyed to the former) regarding the hull.

However, the contents of my telegram still apply to the machinery. The vessel will be at Havre next week and the Owners trust that the particulars you have requested from the Society's Surveyor at New York will reach you in time for the Surveyor at Havre to be advised accordingly.

A copy of this letter and of yours of the 14 th instant is being forwarded to Mr. Leslie S. Sims for his information.

I am, Dear Sir, Yours faithfully.
