PERSONAL

My Dear Dick,

Your letter of the 3rd re the Classification Certificates of the "CONCA D'ORO", arrived this morning.

I remember the cases of the "Giorgio Fassio" and "Ernesto Fassio Jr." quite well. The "CONCA D'ORO" is a sister ship and although the Owners are shown as Società di Nav. per Azioni "La Sicilia" Mr. Fassio, Chairman of Cia. Internazionale di Genova, is also interested in this Tanker Company ("La Sicilia") so that, I think, the same procedure as regards the barred speed range should be followed in the case of the "Conca D'Oro".

I also received your official letters of 2nd and 3rd regarding the Lenrs "Conte Grande" and the "Conte Biancamano" belonging to the "ITALIA" Line, and have arranged to meet the Technical Director of the Company to-night to discuss the position regarding the completion of the Special Surveys which have gone over the year of grace.

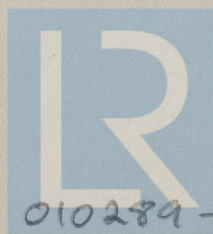

I shall write in officially as soon as I have talked with him.

With best wishes.

Yours sincerely,

R.J. Sladden, Esq.
