14th February, 1925.

Dear Sirs,

M. I have to inform you that the S.S. "QUEPIMBA", the Wear Shipyard's No.964 has proceeded to your port, and to complete the survey for classification the following remains to be done:-

Upper deck from tonnage opening aft to test, holes in upper deck drilled by Electricians to be filled, starboard hawse pipe to be examined when finished and work left loose for shipping machinery to be examined when completed.

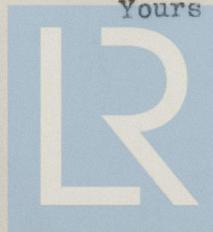

I shall therefore be glad if you will be good enough to give the case the necessary attention, and on completion of the work to your satisfaction, to forward a report on Form No.8 with a view to the classification of the vessel.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,

WEST HARTLEPOOL.
