Dear Sirs,

M.V. "FLORETA"

Referring your letter of Oct. 17th 1958, we  
are very sorry for not giving any reply but now.

For your information and guidance, the "Floreta"  
is still ours, and now actually being operated as a feeder from  
shallow harbour to deep water in Ceram Ports for Coprax ship-  
ment by ocean ships to Europe. Her employment might last up  
to the end of next April, and in this connection, we wish to  
ask for your kind reconsideration to allow the said vessel to  
trade up to that date as she is only in the harbour service,  
and after that date she will come to Hongkong for her Special  
Survey. Please kindly reconsider this request as it is a re-  
quest also from our charterers who are an Indonesian Semi-  
governmental agency to whom we have no ways to refuse.

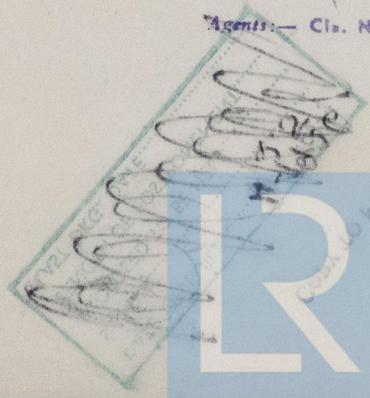

Hoping to receive your favourable reply.

Yours faithfully,

LANENA SHIPPING CO. LTD.,
