

Spares for Engine 6S38.

- 1 Crankshaft bearing (2 halves) complete with liners.
- 1 do. for air pump.
- x 2 Working cylinder covers (without valves).
- 16 Cylinder cover bolts 1 1/2".
- x 3 Combined valves complete.
- x 1 Lower connecting rod bearing for working cylinder with bolts and liners.
- x 1 Upper connecting rod bearing do.
- 1 Lower connecting rod bearing for scavenge and injection air pump complete with bolts and liners.
- 1 Upper connecting rod bearing for injection air pump.
- 1 do. for scavenge pump.
- 1 Working piston complete, with rod and cooling tube.
- x 14 Working piston rings 380 Ø x Tp.II.
- x 1 Piston for air pump complete with pin, springs and oil scraper.
- 6 Pins.
- 2 Rollers,
- x 36 Valves for air pump 1st and 2nd stage.
- x 36 " " " " " " " "
- x 6 Suction valves for air pump 3rd stage.
- x 6 Delivery " " " " " "
- x 1 L.P. safety valve.
- x 1 I.P. " "
- x 1 H.P. " "
- x 1 Set of springs.
- 1 Set of packing material.
- x 1 six-throw crankshaft with coupling bolts.

*Continued on page 2.*

Spares for Engines 2RH24.

- 1 Crankshaft with key and bolts.
- 1 Crankshaft bearing (2 halves complete with liners)
- x 2 bolts 3/4".
- x 2 Fuel valves complete.
- 3 Safety valves complete.
- 4 Bolts 5/8" for fuel valves.
- x 1 Lower connecting rod bearing (2 halves).
- x 2 Bolts.
- x 1 Gudgeon pin bearing (2 halves).

ZER

- × 18 Piston rings 240 Ø x Tp.I
- × 4 Fuel pump valves.
- × 6 Fuel pump pistons with bushes.
- × 2 Fuel pump plungers with pins and rollers.
- × 4 Fuel nozzles.
- × 3 Sets of springs.
- 3 Air suction clappets.
- 6 Distributor nozzles } for speed variation.
- 3 Ball bearings }
- 3 Sets of packing materia.
- 6 Sight glasses for Bosch lubricator.

Spares for Auxiliary Compressor.

- × 1 Set of plate valves.
- × 1 Set of piston rings.
- 1 Top end bearing.
- 1 Bottom end bearing.
- 2 Main bearing studs.
- 2 Bottom end bolts.

Spares for 6S38.

- × 2 Main bearing bolts and nuts.
- × 2 Complete fuel valve spindles.
- × 1 Set main skew gear wheels.
- × 20 Ring valves for scavenge pump.
- × 6 Suction valves for fuel pump.
- × 6 Discharge " " " "
- × 6 Fuel pump plungers with bushes.
- × 1 Set of gear wheels for lubricating oil pump.
- 1 Set of spare pinions with shafts for fuel oil transfer pump.
- 1 Spare armature for motor of fuel pump.

Spares for Compressor MC6.

- 2 Piston rings for working piston.
- 2 " " 1st stage.
- 2 " " 2nd stage.
- 1 Fuel valve nozzle.
- 1 Helical pulveriser for do.
- 1 each of the mooving springs.
