The Secretary,
LONDON

Dear Sir,

I am forwarding to you to-day the First Entry Reports of the S.S. Motor Tanker "KYOKUTO MARU", Kawasaki Dockyard Co.'s No.584. This vessel is a sister vessel of the "TOA MARU" recently built by the same Builders, and upon comparing the particulars of water ballast for the two vessels, it is found that, due to some misunderstanding, the particulars reported for the "TOA MARU" are incorrect, in some respects. The particulars now indicated on the First Entry Report of the "KYOKUTO MARU" have been carefully verified, and may be taken as correct for both vessels.

I am, Dear Sir,

Yours faithfully,

W. Haspel
