QUESTION

ANSWER

With reference to
your letter of the 14th June,
I shall be glad to learn how
this case now stands.

[Signature]

Date:— 26th. September 1957.

I understand from H.M. Dockyard
here, that the first lighter to be
re-erected, namely Yard No. 919 and not
918, as previously advised. This
lighter is marked C.865 and is expected
to be completed by about the 2nd.
October next. Extra time has been
involved constructing bulwarks on each
side of the lighter at the request of
the Naval Store Office here.

Our report will follow as soon
as the lighter is handed over. Work
has begun erecting lighter Yard No. 921.
