LONDON

Dear Sir:

*is due 8.53*

Referring to your letter of the 25th ultimo respecting the "MAYARI" now named "KISMET", we have been in touch with the Owners' New York office and are informed that this vessel was under survey at Piraeus in August 1954, when she was transferred to the American Bureau of Shipping classification.

The agents state that the decision to change class was made by the ship's owners without their knowledge.

Yours faithfully,

*J. O. Brown*  
Secretary to the American Committee
