Messrs. K. & J. Vlassopoulos, Ltd.
Davis Marks House,
Davis Marks,
London, E.C.3.

Dear Sirs,

s/s "IATAXITA"
Lloyd's Register of Shipping

I acknowledge receipt of your letter of 26th April, which has just today reached my desk because of the Orthodox Easter Holidays, and wish to thank you.

I greatly regret that I am in a very difficult position, being obliged, because of the pressure exerted on us by my co-operators interested in the above vessel, to comply with their desire for the ship's entry in the American Bureau of Shipping.

Furthermore, my old and of a long time good relations with the A.B. have made it usual to refuse acceptance of co-operators' intervention and their desire in respect to the ship's classification, in view that these gentlemen are residing for quite a long time in U.S.A. collaborating also with A.B.

I must very frankly say that my collaboration with Messrs. Lloyd's Register of Shipping until today, in general, at all the ports and especially with their very kind and always prompt representatives and surveyors at Piraeus, leaves with me the best remembrance of their perfect understanding and servicing of the real interests of the Ownership.

Wishing and hoping that there will soon be an opportunity to again cooperate with Messrs. Lloyd's Register of Shipping under the same good impression and effects as before, I remain, Dear Sirs,
