Dear Sirs:

Re: Fishing Factory Ship "Choko Maru"

Our Choko Maru is at present scheduled to operate as a fishing factory ship by renewal works of new main-engine and reinforcement of auxiliary machinery, which were already inspected by Nippon Kaiji Kyokai and have been approved by them, at the dockyard of the Kawasaki Heavy Industry Co., Ltd., Kobe.

*For Publications*

However, inconsideration of time required for the above works, it is impossible to submit her to your inspection and therefore she is compelled to secede from your honorable registration.

Regret to inform her secession from your registration we hereby enclose the Lloyd's Certificate of Class. Kindly acknowledge receipt of the same at your earliest convenience.

Yours faithfully,

(Sgd.)

Manager, Business Department.
