Dear Sir,

Issn. (H)

R.F.A. DINGLEDALE

With reference to your letter of the 30th April last and previous correspondence, it is noted from the shipping papers that the vessel arrived at Devonport on the 10th May and it is concluded that she is now laid up at that port.

I take this opportunity to remind you that the Donkey Boiler Survey will become due at the end of the present month and that the vessel's class is subject to the ballast pump water end being renewed by the end of this month and 15 fathoms of chain cable, placed on board at Gibraltar, being verified by the Society's Surveyors.

Yours faithfully,

Clerk to the
Classification Committee.

The Director of Stores,
Naval Store Department,
Admiralty,
LONDON, S.W.1.
