Received from Chief Ship Surveyor

SHIPS NAME "TOTILA" REPORT Bmn. No. 2069

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/02.)

This ship was built to survey in 2-1926.

The class was expunged for non-compliance with regulations in 1,57.

In answer to a request by the Owners for Reclassification of this ship with this Society the requirements for this proposed reclassification are as set out in an Endorsement dated 12.2.57.

The BREMEN Surveyors report (2,57), this ship examined in dry dock, and bottom and side shell examined and found satisfactory but no further examination towards the Reclassification Survey was effected at this time.

IT IS SUBMITTED the Committee be advised as above for their information.

Please retain in Red  
as Disclosed Vessel.
