Dear Sirs,

Re: M.S. "Aikawa Maru"

Referring to our letter dated 28th October and 29th November, 1960 (HAMA-KO-AIKAWA No. 394 & 396), respectively under this heading, we now have the pleasure of informing you that it has been finally decided to moor this monumental ship at the port of Yokohama to be used as a floating youth hostel.

Consequently will you please arrange for the notation of this ship to be withdrawn from your register.

Thanking you for your kind treatment of this memorable old ship, we are,

Yours faithfully,
