

3m. 9.20.

Received by Chief Ship Surveyor

Received from Chief Ship Surveyor

VESSEL'S NAME *Mt. S.S. Kiso Maru* Rpt. *Kob.* No. *2899*

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

Nature of Survey

The Surveyors should be requested to state whether the sheerstrake has been doubled at Ends of bridge as required, if the stream wire is certified and whether the equipment of hawsers is in order.

They should also state the scantlings of stem, stempost and rudder mainpiece as fitted.
