ANSWER.

With reference to your letter of the 9th August last, I shall be glad to learn how this case stands in regard to the equipment.

Date:— January 20th 1938.-

The Owners state that this length of Chain Cable has been renewed and placed on board and that it will be submitted for verification at the first convenient opportunity, which will probably be in March next.

At the same time the spare gear for the Refrigerating Machinery referred to in your letter of the 8th October will be submitted for inspection.
