SHIP NAME Stl. Sc. "WIMBLEDON".

Report Ham.

No. 16543.

For the CHIEF SHIP SURVEYOR and CHIEF ENGINEER SURVEYOR.

(In cases which have to be submitted to the Classing Committee "the endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

Survey

When due

It is submitted the Genoa Surveyors be informed that to entitle the vessel to reclassification it will be necessary for the whole of the requirements of the 2nd S.S.No.3 to be complied with and all necessary repairs carried out.

There were no outstanding ^{hull} repairs when the class was expunged in October last. *The main boilers required to be repaired, & the donkey boiler not to be used again.* A copy of the scantling particulars, etc., should be forwarded to the Surveyors for their information.
