Dear Sir,

S.S. "WIMBLEDON".

With further reference to this steam, we beg to inform you that we have been able to cancel the charter, and we are endeavouring to fix the vessel direct home to the U.K., or Continent.

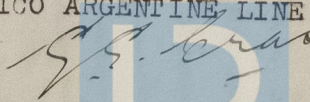

Under these circumstances, we would be obliged if your Committee would consider giving this vessel back her classification until her arrival at this side, providing Boiler Survey is done in Buenos Aires.

Trusting to have a favourable reply from you,

We are,

Yours faithfully,

For and on behalf of  
THE MEXICO ARGENTINE LINE LTD.

  
DIRECTOR.
