Dear Sirs,

D. I beg to call your attention to fees and expenses amounting to fifteen guineas due to this Society in respect of a survey held by this Society's Surveyors at Hamburg in September/October last on the steamer "WIMBLEDON", and to point out that in accordance with the Society's printed Rules the vessel is liable to lose her class in the event of payment not being made.

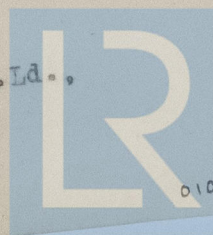

In the circumstances I shall be glad to receive from you a remittance for the amount in question not later than Wednesday morning next, as failing payment by that time, the case must be brought under the notice of the General Committee of this Society who will no doubt deal with the vessel's class.

I am, Dear Sirs,

Yours faithfully,

Secretary.
