Dear Sirs,

S.S. "CAILLY"

With reference to my letter of the 2nd May last, to which I do not appear to have received a reply, it would be appreciated if you will advise me, for the information of the Committee, whether the Surveyor appointed by your goodselves has yet confirmed that suitable repairs were effected to the hole in the keel plating whilst the ship was under survey on the 27th February.

Yours faithfully,

Clerk to the
Classification Committee.
