LETTER 27th November, 1953.

s,

"BEKAKA". (N.V. Scheeps Werf de Hoop Yard No.1427).  
A First Entry report has been received from the  
Amsterdam Surveyors in respect of the above ship  
which has been built for the Indonesian Government.  
Assignment of the class #100A1 "For service in  
the Indonesian Archipelago" has, however, been  
deferred pending the receipt of a satisfactory  
report on the ship's condition on arrival at  
her destination. I shall therefore be glad if  
you will get into touch with the Owners with a  
view to arranging for the necessary General  
Examination to be held, and forward a report on  
form Rpt. 8 for submission to the Committee, in  
due course.

Yours faithfully,

pro Clerk to the  
Classification Committee.

The Surveyors,  
DJAKARTA.
