QUESTION

ANSWER

With reference to the Special Survey, which becomes due at the end of July next, I shall be glad if you will ascertain from the Owners and let me know what arrangements are proposed to be made for this inspection to be carried out.

I would point out that the Main Boiler Survey becomes due at the end of September next.

Date:— June 17th, 1960

The owners have advised me that arrangements have been made for this trawler to go under survey about 4th August 1960 for Hull and Machinery Special Surveys and Boiler Survey.

Copy of letter dated 16th June 1960 enclosing list of the Owners trawler refit programme is attached for your information.

Yours truly,
