Ship.....

Dear Sir,

Further to our letter of yesterday's date, we now beg to submit Special Survey Request Form 1 in respect of Yard No. 1379.

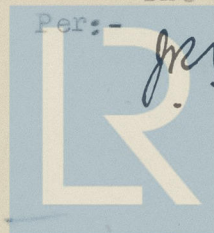

In forwarding this form the Builders state that the new Yard Number is to be a sister to 1377/8 with the exception of the keel, which they propose fitting $7\frac{1}{2}$ " x $1\frac{3}{8}$ " flat as they are unable to obtain $7\frac{1}{2}$ " x $1\frac{1}{4}$ " bulbs.

Yours faithfully,
The Surveyors,

Per:-
