Reference  
Classn.

Genoa, 7th March, 1959.

Dear Sir,

S.S. "CAROLINA FASSIO"

With further reference to the completion of the Engine Survey of this vessel regarding which there has been considerable correspondence, we now have received a letter from the Owners, a translation of which is as follows :-

" We regret to have to inform you that for reasons  
" of economy we have decided to renounce classific-  
" ation with your society of the tanker "CAROLINA  
" FASSIO" which vessel has been laid up in the port of  
" La Spezia for more than one year."

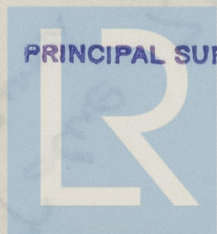

We have reason to believe that actually the vessel is to be re-commissioned in the near future but only the Registro Italiano have been requested to carry out the necessary surveys and the Owners have verbally confirmed their intention to withdraw this old vessel from the Society's Class.

Yours faithfully,

The Secretary,  
LONDON
