QUESTION

ANSWER

With reference to my letter of the 19th June addressed to the Owners, a copy of which was forwarded to you, I shall be glad to learn what definite arrangements have now been made for the Special, Main Boiler and Screwshaft Surveys to be dealt with.

Date:— 22nd August, 1959

The Owners advise us this vessel is used only for harbour services at Pasajes and consideration is now being given to withdrawing Classification. They will advise this office when a final decision has been made.
