ENCLOSURES.

17th March, 1933.

Dear Sirs,

E. I return herewith two sets of the plans, forwarded with your letter of the 14th instant, in connexion with Messrs. Hijos de J. Barreras' Yard No. 520 and Messrs. Corcho Hijos' Yard No. 34, and have the pleasure to acquaint you that the diagrammatic plans of arrangement of feed water pipes and exhaust steam pipes in the engine room will be approved, provided the arrangements be as shown and amended thereon and the remaining requirements of the Rules be complied with so far as they are applicable.

The diagrammatic plans of electric installation will be approved, provided the main distribution be effected wholly on the two wire two conductor system with entirely separate cables, both insulated for their respective poles; the arrangements be otherwise as shown and amended on the plans and in accordance with the special requirements of Section 14, and the remaining requirements of the Rules for Electric Fittings be complied with so far as they are applicable.
