NEW YORK.

July 16th, 1936.

Dear Mr. Scott:-

I duly received your letter of the 16th ult. regarding the Official letters you have received from the Imperial Oil Limited, Toronto, signed by Mr. P. M. Duncan, intimating that they have withdrawn from classification the following vessels:-

"ACADIALITE"
"RIDEAULITE"

"OTTAWALITE"
"SIMCOLITE"

I have now had an opportunity of seeing Mr. Duncan who informs me that these vessels are only used for Lake and River service and their policy is to drop classification about the time the Special Surveys are due. I am afraid, therefore, there is nothing to be done but accede to the Owners' request.

Incidentally, Mr. Duncan intimated to me privately that his Company have six new barges and a stern wheeler in prospect which are to be built to our class, probably in this country.

Yours faithfully,

French
