

Lloyd's Register of Shipping,

Collingwood Buildings, Newcastle-on-Tyne.

26th April 1930.

ference
S.

The Secretary,
LONDON.

Dear Sir,

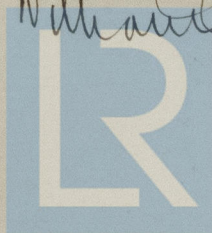

With reference to the query contained in the Classing Letter of 23rd instant, regarding the screw stays in the boiler of the "ACADIALITE", I wish to inform you that the screw stays are knitted on the end plates as approved, and not riveted as stated in my report.

I regret the error which was made in my report.

I am, Dear Sir,

Yours faithfully,

William Butler
