Dear Sir,

S.T.T. "ADRIANA AUGUSTA"  
Trieste Rpt. N°. 14646.-

In reply to the final paragraph  
of your letter of the 25th ultimo we have to advise  
you as follows :-

- 1). Regarding the fitting of a notice  
board and marking of the tachometer  
the question of a restricted speed  
range is still under discussion  
and we have today forwarded to you  
ref.: 'Eng.' a free translation of  
a letter received from Messrs. CRDA  
which deals with this subject.
- 2). The two steam turbo generators made  
by Franco Tosi - Legnano are works'  
numbers : 3976 and 3977.

We did not make out a new Report 4c for  
these two turbo generators, but endorsed a copy of the  
Milan Surveyors Report 4c stating that they had been  
efficiently installed in the above vessel and tested  
to Rule requirements.

The endorsed copy of the Milan Surveyors'  
Report 4c was sent with our other reports on the 27th  
September last.

Yours faithfully

The Secretary  
London
