Dear Sir,

Steamer "HABANA"

The case of the above named ship has received consideration together with your letter of the 26th July.

In reply I am requested to say that they will not press the Owners to hold the overdue Boiler Survey while the ship is laid up, and will agree to leave the class undisturbed for the present, on the definite understanding that the overdue survey will be held before the ship again proceeds to sea.

The Owners should be informed accordingly.

Yours faithfully,

Clerk to the
Classification Committee.

The Principal Surveyor,
MADRID.
