E. BERAZA.

Dear Sir,

With reference to your telegram requesting the First Entry reports of the steamer "ALFONSO XIII" No 1 ship built by the Sociedad Española de Construcción Naval, Bilbao, we have pleasure in enclosing herewith the said reports.

The Owners representative requests that the Classification Certificates may be stamped by the Spanish Consul in London, and a fee of 33 pesetas has been entered in our report for this purpose.

With regard to the fees for the hull survey we have charged double the Rule fee.

I had an interview with the builders to-day respecting this matter and they appear to be quite satisfied to pay this amount and we hope to receive payment in the course of a day or two.

We are, Dear Sir,

Yours faithfully,

B. Engledow
