Dear Sirs,

I have to enclose for your information a copy of a letter, dated 15th instant, which I have received from Mr. Engledow, this Society's Senior Surveyor at Bilbao, regarding the case of the steamer "ALFONSO XIII", together with a copy of my reply.

It will be observed that in all the circumstances Mr. Engledow, who has had the vessel under his inspection for nearly seven years, has been authorised to proceed with the vessel to Ferrol and see her finished at that port subject to the work of the Bilbao district permitting this course to be followed.

I am, Dear Sirs,

Yours faithfully,

Assistant to the Secretary.

The Surveyors,
CADIZ.
