Mr Barwick,

With reference to your letter of the 21st Inst. respecting the new Freeboard certificates for the steamer "ANA" I have to inform you that the special survey was being completed at the outbreak of the Spanish Revolution, but was interrupted.

Under the circumstances and in view of the fact that it would be impossible to obtain the endorsement of the Spanish authorities at the present time, it will be well to retain these certificates.

Yours sincerely

all to retain these certificates.  
The Board has been informed at the present time, it will  
be that it would be impossible to obtain the endorsement  
under the circumstances and in view of the  
fact that the certificates are being completed at the outbreak of the war.  
I have to inform you that the Board has decided  
that the new Board will certify for the State.  
With reference to your letter of the 1st inst.
